School Overview

Staff, students and parents partnering together teaching, learning and preparing for life.

At Stafford State School, our school purpose is to provide a quality meaningful education within a safe and supportive learning environment. With a further focus on high performance and effective leadership, it is the goal of our school to prepare all learners to be successful on their journey through life.

Stafford State School has an active and supportive community that is proud of its diversity and inclusive culture. Our culture and community spirit ensure the school is able to adapt to meet the changing demands and expectations of students, parents and the wider community.

Our school continues to grow from strength to strength, we believe these attributes drive our excellent reputation and assist our learners to become active, informed citizens of today's society.

The school's motto, "Strive, Persevere, Succeed" reflects this charter. Our facilities have been redeveloped to provide an enhanced learning environment, with large classrooms; interactive whiteboards, laptops, iPads and air-conditioning to meet the needs and challenges of the 21st century.

Stafford State School's five greatest assets are its:

- Dedicated and enthusiastic teachers demonstrating excellent pedagogy
- Student focused curriculum
- Engaged, inclusive and diverse school community
- Outstanding facilities
- Dynamic focus on lifelong learning

Principal's Forward

Introduction

The 2018 School Annual Report highlights the achievements of Stafford State School in terms of the School and Staff Profile, Curriculum Offerings and Social Climate. The report also includes a snapshot of Student Performance through a summary of NAPLAN results as well as an overview of School Community satisfaction using data from the School Opinion Survey and goals and aspirations for 2019.

Stafford State School is proudly part of a quality public education system in which the overarching objective is to provide opportunities for all students to achieve learning outcomes and reach their potential. Our school purpose is to provide a quality meaningful education within a safe and supportive learning environment. With a further focus on high performance and effective leadership, it is the goal of the school to prepare all learners to be successful on their journey through life.

School Progress towards its goals in 2018

Our key school priorities for 2018:

- Increase in NAPLAN results – 95% of all eligible students are at or above the NMS in Reading and Numeracy
- 50% of Year 3 Students and 40% of Year 5 Students in the Upper 2 Bands in Reading and Numeracy
- Continued implementation of Explicit Teaching and Warm-Ups
- Working with John Fleming to refine our practice
- Use Data to inform teaching practice
- Continued implementation of Developing Performance Framework with all teaching staff, linked to school's Explicit Improvement Agenda.

Stafford State School successfully completed its intended goals for 2018 including:

- 100% of all Year 3 Students met NMS in Reading
- 47% of Year 3 Students in the Upper 2 Bands in Reading
- Intensive Teaching Initiative
- Refining Reading and Numeracy Warm Ups and Explicit Teaching through I Do, We Do, You Do
- Implementation of 'Read it Again' – Oral Language Program in Prep and Year 1.

Future Outlook

Our major focus of our school's development in 2019 is to build on the successes of 2018. So we can continue to maximise the performance of our students, our focus is:

- Maintaining an unrelenting focus in our priority of Reading, then Numeracy by:
 - Moderating in Cluster Groups and Internal for consistent understanding of Curriculum, Assessment and Reporting
 - Supporting Warm-Ups for new Staff Members.
 - Using Feedback / Mentors / Data Analysis
 - Setting Benchmarks and Targets as drivers of ongoing school improvement
- Numeracy Warm-Ups and the focus of the automatic recall of number facts and mental computation strategies – Recite, Recall and Apply / Hyperspeed and Problem Solving
- Teachers providing an integrated approach to reading that supports the development of oral language, vocabulary, grammar, reading fluency and comprehension catering for diverse learners
- All students across Prep – 6 have personalised Reading and Numeracy Goals working on Growth Mindset & Building Resilience
- Whole School approach to a Problem Solving Framework underpinned by our Pedagogy

- Continue to highlight and focus on productive partnerships with parents and our Diverse Community
- Continue to engage in High Expectations.

In 2019 our school will continue to work with John Fleming by having him mentoring and give feedback to teachers each term. This initiative focusses on enhancing Explicit Teaching across all year levels and raising standards and minimum benchmarks in a range of curriculum areas, in particular Reading and Comprehension.

Our School at a Glance

School Profile

Co-educational or single sex:	Co-educational
Independent Public School:	Yes
Year levels offered in 2018:	Prep Year - Year 6

Student enrolments for this school:

	Total	Girls	Boys	Indigenous	Enrolment Continuity (Feb – Nov)
2016	271	124	147	32	94%
2017	271	127	144	40	89%
2018	264	112	152	33	91%

In 2018, there were no students enrolled in a pre-Prep** program.

** pre-Prep is a kindergarten program for Aboriginal and Torres Strait Islander children, living across 35 Aboriginal and Torres Strait Islander communities, in the year before school (<http://deta.qld.gov.au/earlychildhood/families/pre-prep-indigenous.html>).

Characteristics of the Student Body

Overview

We are an ideal size school; big enough to have excellent resources, yet small enough that all children and families are well known to staff and the broader school community. Stafford State School is a Band 7 Primary School located in the Brisbane North Region. The current P-6 enrolment at Stafford is around 279 students.

Students are from a broad range of socio-economic and cultural backgrounds. Twenty-five nationalities are represented; therefore there is a high degree of tolerance of difference in the school. We are very proud of our learning community which celebrates tolerance and diversity. The school also caters for increasing numbers of students who have English as a second language. We also have 11 hearing impaired students and 25 students with disabilities, that find significant success within the mainstream and special education classes.

Presently there are 13 fulltime and 6 part-time classroom teachers. There are also 13 specialist teachers who visit the school for various periods on a weekly basis. These include: Teacher- Librarian, Music, LOTE, Physical Education, Support Teacher Literacy & Numeracy (STLaN), 2 Instrumental Teachers, English Additional Language / Dialect (EAL/D), Guidance Officer, Advisory Visiting Teaching (AVT). Classroom and Specialist Teachers are supported by 20 very experienced and well trained teacher aides.

The student population presents a diverse blend of socio-economic and cultural backgrounds. Students are organised in both single year levels and multi-age class groupings. Students, parents and community members are encouraged to contribute to the school's decision-making process through the School Council and Parents & Citizens Association and school committees.

Average Class Sizes

The following table shows the average class size information for each phase of schooling.

AVERAGE CLASS SIZES			
Phase	2016	2017	2018
Prep – Year 3	23	24	20
Year 4 – Year 6	28	25	20

Curriculum Delivery

Stafford State School celebrates the importance of the early years education through a high quality Preparatory Program – designed to give children the best foundations for future success. We provide a dynamic educational experience for students that enable them to become independent, creative and connected lifelong learners. Our academic programs are focussed on building students' foundational skills, attitudes and values to ensure they achieve their individual potential.

The engagement of students in quality learning is vital to the success of the school. Curriculum offerings have been designed to enhance student learning and include:

- High Expectations with a strong focus on individual achievement for all students – Focus and Explicit Instruction of Reading, Numeracy and Writing
- Support Teacher Literacy & Numeracy (STLaN) – Intervention & Extension Programs / Intensive Teaching Programs
- Instrumental Music program of woodwind, brass and percussion is offered to students in Years 4-6. Strings are offered to students in Years 3-6. Music Camps are offered at various intervals
- LOTE - A program in Chinese is offered to students in Years 3, 4, 5 and 6
- SEP program with a strong focus on inclusion and social development
- Physical Education - Interschool Sport for Years 4-6, Sports Days for all students and a school swimming pool for the instruction of a comprehensive swimming program for all students
- Music - Choir Program with the opportunities for performance at parades and special events
- Library - The Teacher Librarian supports teachers and students with research / borrowing / iPads / Coding
- Excursions (Prep – Year 6) – relating to the curriculum
- Advisory Visiting Teachers (AVT's) for Visually Impaired, Physically Impaired and Autistic Spectrum Students
- Guidance Officer – Learning and counseling support
- Additional learning opportunities are provided by students participating in the Year 5 and 6 Canberra Trip
- A Chaplaincy Program to support the emotional well-being of the school community
- Differentiating the curriculum to provide opportunities to maximize student achievement
- Regional Auslan Coach.

Our Approach to Curriculum Delivery

At Stafford State School we teach, plan and assess using the Australian and Queensland Curriculum. Specific outcomes for students with special needs are developed and delivered through Individual Support Plans. Our aim is to develop continuity of curriculum, purposeful commitment to the School Learning Culture and uniform pedagogical practice across Prep – Year 6.

Our school demonstrates a culture of:

- Clear direction and common purpose
- Outstanding Student Behaviour
- High Student Engagement
- Increase in Student Well Being
- School Pride
- Ownership of Learning

Our Pedagogical Framework is underpinned by Explicit Instruction using the Teaching Outline of:

Warm-Up / I Do / We Do / You Do / Review

- Teachers need to check for understanding throughout the stages to gauge the level of understanding and give feedback to students. The aim is to achieve the learning of concepts in a systemic, sequential and repetitious manner, teaching targets, automaticity of skills and deeper thinking.

Warm Up

- The purpose of the Warm-Up is to consolidate and automatise skills developed in the I Do, We Do, You Do from previous lessons. Facilitating facts to go from short term memory to long term memory.

The curriculum at Stafford State School focuses on maximising learning by collaboratively developing programs that reflect the needs, interests and abilities of students. The staff plans with the Head of Curriculum to help determine the focus and outcomes for each year level.

English:

- In English, teachers are expected to timetable Literacy Rotations, Reading and Writing Warm-Up, Explicit Teaching of one C2C Unit per Term. (can be modified) During the teaching of English, the focus is on Vocabulary, Punctuation, Grammar, Editing, Sight Vocabulary, Spelling, Comprehension Strategies, Formal Handwriting, Formal Speaking and Listening and Oral Language.

Mathematics

- In Mathematics, we have developed our own school program based on the Australian Curriculum and supporting materials. A Mathematics Lesson includes: Warm-Ups, Maths Mentals, and Explicit Teaching of Mathematical Concept. The program consists of Maths Lesson Outline, Warm-Up Checklist, Content Descriptors, Assessment and Weekly Mathematical Concepts.

Assessment:

- The School Assessment Schedule is refined to reflect Metro standards and targets. Key data is tracked on a school data wall and used to identify teaching and learning decisions and students requiring additional support. Internal Mid-Year and End of Year Moderation processes ensure greater alignment between planning and assessment.

Co-curricular Activities

The school prides itself on the extensive range of extra-curricula activities offered to students and the excellent facilities to support these additional experiences. A significant number of students are involved in:

- Academic extensions through a range of local/state/national competitions, IMPACT – Literacy and Numeracy Projects, Solid Pathways Initiative
- Student Leadership Roles – School Captains / House Captains and Student Council Representatives. Students are provided with the opportunity to enhance leadership skills by attending an annual Leadership Conference
- The Arts through – Instrumental Programs (Strings and Brass, Woodwind and Percussion) Choir and annual whole school and specialist concerts / Honours Camp / Music Count Us In
- Sport through – An interschool program that includes soccer / netball / rugby league / touch / swimming / athletics and cross country. The school also has a Swimming Club / Intra-school Sport
- Community Events – Anzac Day March and Ceremony / School Disco and Skate Night / Fun Run / Under 8's Week, Education Week / NAIDOC activities / Literacy and Numeracy Week / Supporter Reader Program / Annual Awards Ceremony / Harmony Day
- Lunchtime Clubs – Cooking / Art / Soccer / Computers / Well Being

How Information and Communication Technologies are used to Assist Learning

Stafford State School integrates the use of computers and other digital technologies into the curriculum by developing the digital pedagogies of its teachers. The school has a number of teachers who are technologically literate.

Our facilities have been redeveloped to provide an enhanced learning environment to enhance student engagement across all curriculum areas to meet the needs and challenges of the 21st century. Student engagement in a futures driven agenda where they develop their knowledge, understanding and skills needed for learning and working in today's digital world.

ICT'S utilised at Stafford State School:

- Fully networked Computer Lab with Interactive Whiteboard / All teachers part of 'Computers for Teachers' Program
- Mobile Laptop Trolley (16) used in the networked Library also with 2 Interactive Whiteboards / 20 iPads / 12 Bee Bots (used for Coding)
- Interactive Whiteboards available in all classrooms to enhance student engagement
- 50 iPad's & Mobile Laptop Trolley (28) available for classroom use.

Social Climate

Overview

Stafford State School serves a community with mixed socio-economic and cultural backgrounds. Parents and community members place high importance on the education of their children. Classes also have a buddy system which provides opportunities for the senior students to assist the younger children in the classrooms.

The chaplaincy program provides the school community with a support person who will act as a coach in providing mentoring to students and liaise with parents and teachers to best support our children. With the additional support of the chaplain, we will be better equipped to address the social needs of the students and have an enhanced cooperative approach to developing active and informed citizens in today's society.

Stafford State School High Expectations

Over the last couple of years, in consultation with parents and the P&C, we have talked through the need to raise more expectations at our school. **Dress Code, Attendance, Manners and Work Ethic.** Raising our expectations in many parts of our school play an important role in developing all children. At Stafford State School, staff, students and parents all work together to help the students find success in addressing these expectations and we have merged our High Expectations with our 4 School Rules of **Safety, Effort, Respect** and **Responsibility.**

Our High Expectations document and School Rules can be found on the Stafford State School Website.

Playgroup

Stafford State School has a Playgroup which operates every Wednesday morning out of our School Hall. Our Playgroup is Encouraging School Readiness from Babies through to pre-prep age. This has been a very successful program to engage Mums, Dads and Caregivers to socialise with other parents, meet new friends and encourage school readiness for their child while interacting in a safe manner with other children their own age.

Encouraging School Readiness:

- Learning through Play
- Art & Craft
- Everyday Experiences
- Gross Motor Skills
- Early Literacy
- Routines
- Music & Movement
- Obstacle Course

Swimming

In conjunction with Stafford State School and Special Olympics, Unified Swim School operates a learn to swim program, stroke correction and squad training that operates in Terms One and Four.

Parent and community engagement

Stafford has an active P&C that takes pride in the school and its achievements. The P&C, School Council and the parent body work collaboratively with staff to provide a range of experiences that enhance student learning. The P&C are very supportive of the school staff and have a genuine interest in working with the school to make the school a better place for students. The P&C also provides input and feedback on school policies, procedures, plans and practices.

Strong relationships with parents are highly valued at Stafford State School and parents and the school community. Parents expect a well disciplined, well organised and caring learning environment that caters for the needs of their children. The school encourages parents to become active participants in their child's learning.

Stafford State School implements a range of strategies to keep parents informed and involve parents in our school. These include:

- Parents & Citizens Association / Tuckshop / Uniform Shop / Stafford Stingers Swimming Club
- School Council (Stafford State School became an Independent Public School in 2016)
- Open Days / Parent Information Sessions / Parade / Class Celebrations / Parent Representatives / Class Volunteers
- Annual End of Year Awards Ceremony / Disco and Skate Nights
- Book Week / Easter Bonnet Parade / Anzac Day Ceremony and Parade / Sports Days / Bush Dance
- Stafford State School Playgroup / Under 8's Morning / Prep Interviews
- Parent/Teacher interviews in Terms 1 and 3 / Report Cards issued at the end of Terms 2 and 4
- Informative School Website / Fortnightly Newsletters / School and Prep Handbook
- Parent Master Classes / Parent Life Education Information
- Pancake Breakfast / Instrumental Music Concerts & Camps
- Mother's and Father's Day Craft / Working Bees / Fun Run / Colour Explosion

Respectful relationships programs

The school has developed and implemented a program or programs that focus on appropriate, respectful and healthy relationships.

Stafford State School has adopted and implemented a cyber safety program in conjunction with the local police station offering support and information to students, parents and staff. The school participates in Day for Daniel, Bullying No Way and Harmony Day. Chaplaincy services also offer a variety of services. The school has implemented a Growth Mindset and Well Being Program and also offers a Rock and Water Program.

School Disciplinary Absences

The following table shows the count of incidents for students recommended for each type of school disciplinary absence reported at the school.

SCHOOL DISCIPLINARY ABSENCES			
Type	2016	2017	2018
Short Suspensions – 1 to 10 days	10	2	11
Long Suspensions – 11 to 20 days	0	0	0
Exclusions	0	0	0
Cancellations of Enrolment	0	0	0

Environmental Footprint

Reducing the school's environmental footprint

Data is sourced from school's annual utilities return and is reliant on the accuracy of these returns.

The reduction of our environmental footprint at Stafford State School was achieved through:

Water Savings:

- 260,000 litre water tank for irrigation of the oval
- All male toilets, including male staff, have waterless urinals installed - 7 waterless urinals in total
- All taps retrofitted with water saving devices
- All toilets updated to dual flush.

Electricity Savings:

- 2Kw Solar panels installed on Hearing Impaired Unit generating solar energy
- Replacement of all fluorescent tubes with energy efficient tubes in A Block to reduce electricity consumption.

Paper and Food Recycling:

- Designated bins throughout school for paper and food (compost) recycling by students and staff.

The Solar and Energy Efficiency in State Schools Program offers an opportunity for young people to learn about this technology and what they, and their school communities, can do to help combat climate change. Advantages are:

- Increasing the use of green energy to help meet energy needs;
- Leading environmental change by building an understanding of alternative renewable energy technologies;
- Identifying methods of energy reduction and in turn greenhouse gas savings; and
- Moving towards a sustainable future for both schools and their communities.

Stafford State School is now connected to this program. You can see our solar generation statistics: www.solarschools.net

Established Garden in 2018 in conjunction with OHSC (Helping Hands) who donated a compost and worm farm.

- Prep, Year 1, Year 2
- Growing flowers, herbs and vegetables (aligned to National Curriculum)

Professional Development

Expenditure On and Teacher Participation in Professional Development

The total funds expended on teacher professional development in 2018 were \$33 943.97

The major professional development initiatives are as follows:

- John Fleming workshops at Stafford State School – Refinement of School's Pedagogical Framework (1 day per Term)
- Beginning Teacher Conference / NAPLAN Online Workshops
- Staff Well Being
- Year Level Collaborative Data Audits – (1 day per Semester)
- Refinement of Warm-Ups / I Do, We Do, You Do / Explicit Instruction / Coaching and Mentoring
- Moderations of Student tasks and Differentiation – Cluster Moderation
- First Aid / CPR
- Attending Professional Development Network Cluster meetings and Conferences. (TLN / QASSP)
- Professional discussions through Early Phase / Middle Phase and Priority Team meetings. Sharing of ideas and resources to enhance teaching and learning practices.

The proportion of the teaching staff involved in professional development activities during 2018 was 100%.

Staff Attendance and Retention

Staff attendance

AVERAGE STAFF ATTENDANCE (%)

Key Student Outcomes

Student Attendance

Student attendance

The table below shows the attendance information for all students at this school:

STUDENT ATTENDANCE 2016			
Description	2016	2017	2018
The overall attendance rate* for the students at this school (shown as a percentage).	93%	93%	93%
The attendance rate for Indigenous students at this school (shown as a percentage).	94%	92%	91%

*The student attendance rate is generated by dividing the total of full-days and part-days that students attended, and comparing this to the total of all possible days for students to attend, expressed as a percentage.

The overall student attendance rate in 2018 for all Queensland Primary schools was 93%.

AVERAGE STUDENT ATTENDANCE RATE (%) FOR EACH YEAR LEVEL							
Year Level	Prep	Year 1	Year 2	Year 3	Year 4	Year 5	Year 6
2016	94%	93%	94%	91%	92%	94%	93%
2017	94%	94%	93%	93%	92%	94%	94%
2018	94%	94%	93%	92%	90%	93%	92%

Student attendance distribution

Graph 1: Proportion of students by attendance rate

Description of how non-attendance is managed by the school

Non-attendance is managed in state schools in line with the DET procedures, *Managing Student Absences and Enforcing Enrolment and Attendance at State Schools* and *Roll Marking in State Schools*, which outline processes for managing and recording student attendance and absenteeism.

At Stafford State School we consistently record and follow up unexplained student absences on a regular basis. We

- Mark electronic class rolls twice daily. The first marking is at 9am and the second marking at 1:45pm, following second break
- Monitor the school's attendance data to identify absenteeism trends and individual students with high levels of absenteeism
- Expect all parents to contact the school absentee line or call the school to record a student absence
- Monitor student absence without explanation or watch for a pattern of absences
- Ensure unexplained absences are followed up with a SMS from a member of the administration team to enquire on the welfare of the absent student.

All efforts are made by the school to build stronger partnerships with parents to support student attendance. Proactive strategies that are being used to increase attendance:

- Promoting High Expectations for School Attendance to the school community by communicating that higher school attendance is associated with higher student achievement (school newsletter, school website and assembly)
- Stafford State School Playgroup – Encouraging School Readiness and valuing school
- Stafford State School Attendance Policy / Signage up around the school promoting attendance – Every Day Counts
- Weekly Class Attendance Certificates.
