A Message from EDSCO

EDSCO is a local family owned Brisbane business that has been supplying Book Packs to Queenslanders since 2003 and during that time our service to our customers has proved to be among the best in the industry.

Unfortunately during the 2017/18 season we experienced difficulties delivering some Book Packs by the promised date which was the first incident of its type for our company. This was caused by a third party packing and distribution business which promised to improve the experience for our customers however they failed to deliver on their promises and we were all significantly let down.

We feel it is important to let our customers know that we will not be using any third party provider this year. EDSCO will be handling every step in the Book Pack process from order placement, packing and invoicing through to the home delivery by Australia Post. All of this will be managed from our packing shed in Brisbane.

Please be assured that everyone at EDSCO is committed to delivering the highest possible level of service to every customer.

Thankyou
Michael and Susan Young
