Use this space to state what you expect from your improvement initiatives.

- Improve the unpacking of National Curriculum to ensure improved student A to C data (target >85%)
- Improve student outcome in Reading and Writing
- Embedding strong proactive behaviour systems to improve learning outcomes

Our initiatives include

Reading Improvement
- Collect receptive and productive data on OneSchool to identify allow a deeper understanding of students' strengths and weaknesses in English.
- Leadership team to conduct walk-throughs during allotted reading times to review school practices.
- Interrogate the Australian Curriculum and General Capabilities to gain a deeper understanding of the demands of reading across all learning areas. *School Improvement Unit Key Improvement Strategy 1*
- Unpack Australian Curriculum units of work to identify the receptive/productive demands within tasks and develop student scaffolds to answer questions in relation to text purpose, author's choice of language features, text structure and vocabulary.

Writing Improvement

- Refine and support student centred visible learning walls – TAP (Task, Audience, Purpose), Samples of work (Quality responses), success criteria linked to samples of work, student ownership through co-construction
- Quick writes three times per week: writing for 1 minute (increases with stamina) in quick write book, students count the number of words and circle any errors; set goals based on increased volume, decreased errors, then writing analysis
